## **Who We *Are***

---

Since being established in 2008, Progressive Qatar under the visionary leadership of KRG Pillai has witnessed a consistent record in excellence across all sectors it has been representing. Our focus areas are Trading, Catering, Manpower recruitment, FMCG, Project support services. We always believe in accountability and results.

True to our Vision “to be the Go-to-company”, our aim is to offer customers focused high quality services with professionalism and integrity.

Today Progressive Qatar has a well experienced management team under the guidance of Dr. Sajith Pillai, CEO. We are proud to have a highly qualified technical and multi national skilled workforce ready to take up any challenges in its core focus areas. We believe that cross-functional leadership development helps to cultivate broad management skills, enhance organizational flexibility, and empower the succession of leaders across our businesses.

Progressive Qatar has been sourcing products from Germany, Singapore, China, India, Pakistan, Thailand and many other countries. We continue to pursue our growth strategy and expand our business as we venture into the GCC Markets. It's our aim to contribute to the welfare of our people, our client's success and to the growth of our country.

## MISSION

To provide exceptional, high-quality support services for projects, catering and trading, to clients in order to help them achieve success in their core business.

## VISION

We aspire to be the go-to company for support services in Qatar known for our professionalism, integrity and undiluted focus on customer's needs.

## Director's *Message*

In this age of widespread Globalization, we at Progressive understand that meeting our customers' requirements is essential to the success of our organization.

We stand true to our vision of being the go-to company for all types of Support & Catering services in Qatar. Our organization is built on three pillars- professionalism, integrity and undiluted focus on customer satisfaction.

On behalf of all the employees at Progressive, we would like to thank our valuable customers, reliable dealers and world-class suppliers. Besides, we would like to make a special mention of our staffs' enthusiastic contribution in establishing our organization.

We are now in an ever-changing market environment. In such situation, we firmly believe that **Trust** is the key element in persuading customers to choose our quality products. We totally accept that Trust can create a win-win situation for a long and deeper relationship.

In summary, we would like to thank again all those who have contributed relentless hard work and effort in the past to bring us here today and we will continue to grow for years to come.
